

Best Execution Policy

1. Introduction

Under Chapter 3 of the ASIC Market Integrity Rules (Competition in Exchange Markets) 2011, FinClear Execution Ltd (**FinEx**) has an obligation to take reasonable steps to obtain the best outcome for its clients when handling and executing equity market product orders (**Best Execution**).

FinEx has established and implemented policies and procedures to comply with its Best Execution obligation and this document sets out our Best Execution Policy.

In determining what the best outcome is for its clients, FinEx will generally give price a higher relative importance. However, depending on the type of client (Wholesale or Retail) FinEx may also take into consideration a range of different factors, including the need for timely execution, availability of price improvement, the liquidity of the market (which may make it difficult to execute an order), price of the equity market product, speed, likelihood of execution and settlement, potential price impact, execution certainty, the size of the order and the nature of the financial transaction.

A **Retail** client means a person who is a 'retail client' within the meaning of subsection 761G(1) of the Corporations Act being a client other than a Wholesale client.

A **Wholesale** client where s761G(7) or 761GA of the Corporations Act 2001 applies, is a client where any of the following apply:

- (a) the price or value of the transaction is \$500,000 or more;
- (b) the financial product or service is provided for use in connection with a business that is not a small business;
- (c) the client does not receive the financial product or service for use in connection with a business, and a qualified accountant certifies that the client has (i) net assets of at least \$2.5 million or (ii) gross income for each of the last two financial years of at least \$250,000 a year.
- (d) the client is a professional investor (as defined in s9 of the Corporations Act); or
- (e) the client is a sophisticated investor (as defined in s761GA of the Corporations Act) or with demonstrated experience in using financial services and investing in financial products.

2. Scope

FinEx's Best Execution obligation applies when we execute orders to buy or sell Equity Market Products on our client's behalf. Equity Market Products include:

- shares
- interests in managed investment schemes (including exchange-traded funds);
- rights to acquire shares or interests in managed investment schemes under a rights issue; and
- CHESS Depository Interests (CDIs)

which are admitted to quotation on an Australian exchange.

The Best Execution obligations set out in this Policy does not apply to international securities.

3. Best Execution for Retail Clients and Wholesale Clients

a) No execution instruction provided

For Retail Clients who have not given an execution instruction, best outcome means the best Total Consideration which means for a:

Buy transaction: the lowest possible price plus Transaction Costs

Sell transaction: the highest possible price minus Transaction Costs

that FinEx can achieve in the trade venues it executes in.

Transaction Costs may include, for example: execution costs imposed by a licensed market; clearing and settlement fees and commissions paid to us by you.

For Wholesale Clients who have not provided an execution instruction, best outcome may occur as a result of price, costs, speed, likelihood of execution or any other relevant order consideration or any combination of these.

b) Execution instructions provided

Where we receive clear and unambiguous order execution instructions from a retail and wholesale client that is specific to a particular order and those instructions are inconsistent with FinEx achieving the best outcome (price), we will take reasonable steps to handle and execute the order in a way which satisfies your instructions and as a result may not achieve the best price or outcome for you. We will only follow your execution instructions if those instructions don't conflict with our other obligations under the FinEx Terms and Conditions, the Corporations Act 2001, the ASIC Market Integrity Rules and any other relevant laws.

4. Order Handling and Execution Arrangements

FinEx will use Smart Order Router technology to send orders the order book(s) that offers a better chance of achieving a more desirable price.

FinEx accepts orders to buy and sell securities either by telephone, in writing (e.g. by email) or through one of the FinEx automated order processing systems (E.g. LDIS, IRESS Order System). The execution venues for FinEx includes both ASX TradeMatch and Chi-X Australia – including any dark markets associated with these venues.

FinEx will place all client orders in time priority, which means the first valid order that is received at a given price for a particular security will be the first order that is submitted to the market.

All orders are subject to review (via ASIC approved vetting or manual assessment) and may be rejected or referred to one of FinEx's Designated Trading Representatives (DTR) for review and manual entry. Where an order is executed via one of the AOP systems, the parameters of the trade are selected by the client. This includes the price, timing and size of the order. When FinEx receives an order from the client, it will transmit the order to the market as soon as reasonably practicable. This will obtain the best price available in the market for the order, and accordingly fulfil the requirement of best execution. When an order has been referred to a DTR and is considered acceptable to enter into the market, it will be handled in accordance with this Policy.

5. Market Outage

In the event of a Market Outage from one or more Market Operators (regardless of whether FinEx is a member of the impacted venue(s)), FinEx will endeavour to achieve the best possible price using the remaining available venues. FinEx may choose not to execute the order if, in its absolute discretion, the resulting trades would not be in the interests of the client, FinEx or the Market Operator.

The purpose of this Financial Services Guide (**FSG**) is to help you decide whether to use any of the service arrangements your financial services provider (**FSP**) has in place with FinClear Execution Ltd (**FinEx**). It aims to provide sufficient information for you to make an informed decision about using our limited dealing, advisory and related services. Our services, and the financial products they cover, can be complex and subject to special regulations impacting how the services are to be provided. That's why this FSG describes them in some detail. **It is important that you read it carefully and file it away for later reference.** Should you wish to discuss the services described in greater depth, you should contact your FSP.

This FSG contains information about, amongst other things, investment risk, interests of ours which may conflict with yours, and remuneration/benefits payable to FinEx if you use our services. Charges, commissions or fees not listed in the body of this FSG are listed in the attached Schedule of Fees. This FSG also tells you what to do if you have a complaint and how we would handle it. It explains the need for, the protection of, and how we use your personal information provided to us by your FSP.

2. Who Are We?

FinEx (previously Lonsec Ltd, trading as Lonsec Stockbroking) holds an Australian Financial Services License (**AFSL**) issued by the Australian Securities and Investments Commission (**ASIC**) (AFSL No. 246842) and is an ASX Limited (**ASX**) Market and Account Settlement Participant.

3. Associations

FinEx was purchased by Finclear Pty Ltd (**FinClear**) on 7 October 2017 and is a wholly owned subsidiary of FinClear Pty Ltd (**FinClear**). FinClear holds its own AFSL (AFSL No 481017) and is an ASX Clearing and General Settlement Participant of ASX who is the provider of third party clearing and settlement services.

As FinEx is not an ASX Clearing Participant, it is required to enter into third party clearing arrangements with an ASX Clearing Participant (**Third Party Clearer**). FinEx's current Third Party Clearer is UBS Securities Australia Ltd (**UBS**). As FinEx's Third Party Clearer, UBS has the clearing and settlement obligations for all ASX transactions executed by FinEx on behalf of its clients. However, the clearing arrangement with UBS will terminate in the second half of 2017 upon which time FinClear will be responsible for the provision of clearing and settlement services to FinEx.

FinEx also has commercial arrangements (Services Agreements) with your FSP for FinEx to provide the services as described in this FSG.

In addition, FinEx aims to identify and secure access to a wide range of quality investment opportunities likely to be of interest to clients. In doing so, FinEx may develop relationships with issuers which involve FinEx receiving fees for rating, promoting or arranging client investment in their financial products. These relationships may lead to research being commissioned from FinEx, success fees, distribution/research introduction fees, portfolio advice or transaction fees etc. which enable FinEx to source the products for clients. If FinEx receives any monetary or other benefits, that will be disclosed in any 'offer' documentation or research distributed to your FSP.

FinEx is not controlled by any issuers, and our Directors and staff do not act in that or any other capacity within the business of an issuer of financial products.

4. What documentation will I receive?

To open an account with **FinEx** you have to complete and sign our New Account Application Form, which is available from your FSP. Its acknowledgements, authorisations and consents govern our dealing related services. In particular, you

authorise us to deal and do other things on your behalf in accordance with the instructions of your FSP. We do not expect you to contact us directly and we will only act on the instructions of your FSP.

You may receive Product Disclosure Statements (**PDS**) if we offer to issue or arrange for the issue of certain financial products. A PDS is an important document and sets out the information needed to make an informed investment decision about whether to acquire the product. Any PDS that is required to be provided to you will be provided to you via your FSP.

FinEx does **NOT** provide personal advice (see Section 12 below). We will never provide advice about whether a product is a suitable investment for you personally, and consequently you will not receive Statements of Advice (**SOA**) from us. All our advice will be general product advice (see Section 11, below), which is based solely on our assessment of the investment/trading merits of the financial product and does not take into account your personal financial situation, needs or objectives.

If you use your FSP's stockbroking services, our execution and settlement infrastructure is used. An account will be established at **FinEx** in your name. You will have to fill out, sign and return our account opening documentation (i.e. our New Account Application), which will be submitted by your FSP.

You may also have to sign and return certain prescribed product-specific agreements (e.g. ASX Warrants Client Agreement), and receive prescribed Explanatory Booklets or other documentation, before **FinEx** can accept any orders from your FSP for that product(s).

We may also accumulate and price-average a number of transactions on one Confirmation. 9. More About Our Dealing Services

Dealing services means buying, selling, applying for or redeeming financial products on behalf of clients.

Your FSP can assist you make applications for Initial Public Offerings (IPOs) and other new issues of securities (e.g. shares) or interests in managed investment schemes (e.g. equity trust units). We can assist your FSP in arranging applications or redemptions.

Secondary market

Secondary Market transactions are dealt on market. The products have already been issued.

Before using our dealing services for the first time, we require your FSP to verify your identity as required under the AML/CTF Act and to confirm settlement arrangements.

FinEx has immediate access, when ASX Markets are open, to order execution and transaction settlement platforms. Subject to the relevant dealing and settlement regulations, FinEx will accept and transact orders placed by your FSP, on your behalf, and will facilitate settlement via its Third Party Clearer.

It confirms the detail of the transaction, the contractual terms and conditions which applied to the transaction, and also serves as a Tax Invoice. If you so authorise, in the New Account Application, a copy will go to your FSP.

We urge you to have us CHESS sponsor your holdings of traded products (i.e. sign the Sponsorship Agreement in our New Account Application). This service has many advantages and minimises the risk of failed settlement of sell transactions, which incurs additional fees.

Your FSP must instruct us in certain ways

FinEx will accept instructions from your FSP in a number of ways including electronically (email or through an electronic order pad) or over the phone. Notifications and instructions in relation to important matters (e.g. change of your address, payment of sale proceeds to parties other than you) must be provided to us (via your FSP) in writing, signed by you.

Market Transactions may be cancelled by ASX

ASX has the power, when market integrity is at stake, to cancel or amend a market transaction (or reinstate an order) which has been executed. Cancellation of an executed transaction would mean the loss of the benefit of the market price

and other entitlements flowing from the transaction. Amendment of a transaction may have a similar impact. You would not be entitled to any compensation from us or ASX.

Settlement requirements

FinEx will not, nor is it obliged to, settle cash (currency). We will not pay you in cash and we won't accept cash from you or your FSP directly. You can make electronic transfers or pay via cheques to settle your transactions. 10. More About Our Advisory Services

'Advisory services' means recommendations or opinion, whether in written or report form or provided verbally, that are intended to influence a person in making an investment decision. 'Advice' falls within one of two categories: either **General** or **Personal** advice.

Personal advice is advice given to a person in circumstances where consideration has been given to whether the product is personally suitable in light of what is known about one or more of the person's objectives, financial situation and needs, or where it might reasonably be expected one or more of those matters has been considered.

General advice is strictly limited to an assessment of the investment and/or other merits of the product itself (see section 11 below).

FinEx will only provide General or Product Advice. FinEx will never provide Personal Advice to you.

Your FSP has engaged FinEx to provide execution services and to arrange for the distribution of research. The fact that you may see our product advice (e.g. research) does not mean we are providing advice tailored to you personally or that we have an ongoing advisory service relationship with you directly. Your FSP has that role and responsibility.

What are the limitations of research, newsletters and other opinions we provide?

Research and other product advice presents the opinion of specialist analysts. The assumptions on which that opinion is based mean that forecast performance cannot be guaranteed. Past performance is not a reliable indicator of future investment performance. A recommendation or rating may only be valid for a limited time and is often subject to movements in market price.

Just because you see that a product is recommended or rated in a report or a newsletter as a 'buy', 'sell', 'hold', 'accumulate', 'underweight', 'overweight', 'neutral', 'out-perform' or 'under-perform' does not mean that recommendation is appropriate for you specifically. You must consult your FSP before acting on any report or recommendation presented in a newsletter.

11. Product Advice - General Advice

Product advice is a rating or assessment based solely on the attributes of the financial product, the portfolio or investment strategy alone without considering whether it is also appropriate for someone's financial circumstances. Product advice is considered to be General Advice.

Research

Product advice includes research reports and newsletters. FinEx has entered into a commercial arrangement with Lonsec Research Pty Ltd (**Lonsec Research**) for Lonsec Research to supply FinEx with research reports. FinEx may make these

available to your FSPs. You must not assume that the research reports or research recommendations or ratings distributed by FinEx research are appropriate for you personally. The process of profiling a client's circumstances and objectives is not relevant in relation to product advice. Product advice may be derived from fundamental analysis (i.e. analysis of financial reports) or technical analysis (patterns in market trading and price-movement behaviour).

Product advice will be accompanied by the warning that the advice is not a recommendation that a particular transaction is personally appropriate for any particular person, and that you will need to consider (guided by your FSP) whether acting on the advice is appropriate in light of your financial circumstances. If a PDS is relevant for the Financial Services Guide product recommendation, the warning will also highlight the need, before making a decision to invest, to ensure you read and carefully consider the PDS.

Model Portfolio Services

Under the arrangement with Lonsec Research, FinEx also has access to Model Portfolios that have been developed and maintained by Lonsec Research. Your FSP may determine that a direct investment in a portfolio of market traded products would be appropriate as part of your overall financial plan, and request FinEx to arrange a portfolio to a particular value based on one of the Model Portfolios developed by Lonsec Research. There are a number of notional Model Portfolios, each having different collective investment/risk characteristics. The portfolio proposal prepared for your FSP is general product advice. It is based solely on the investment merits of the Model Portfolio selected, and the shares or other products making up the particular portfolio. Even though FinEx is asked to propose a portfolio to a particular value, and to give a view on your existing holdings (if any), our advice remains limited to product advice. Whether the proposed portfolio is suitable for you personally is entirely the responsibility of your FSP. If you see the proposal, it will usually be supporting your FSP's Statement of Advice to you.

The Model Portfolios that FinEx has access to reflect an active investment philosophy, focusing on generating absolute returns over the medium to long-term by means of concentrated portfolios. FinEx Lonsec Research (the entity that developed the model portfolios) uses a four-step investment process, which has a strong focus on 'top-down' macro-economic (step 1) and sector themes (step 2). The third-step applies a number of filters (i.e. industry ratings, issuer quality, valuation of issuer, issuer's risk rating) to facilitate stock selection. The fourth step is the on-going monitoring of the Model Portfolio. If we change stocks in a Model Portfolio, we advise your FSP and your FSP will review your portfolio accordingly.

12. Personal Advice

Personal advice recommends a product as being appropriate for a client personally, following consideration of their personal financial circumstances and investment objectives.

Your FSP, not FinEx, will provide this category of advice.

A Statement of Advice is only relevant in the context of personal advice, not product advice. You will never receive Statement of Advice from FinEx.

13. MDA Disclosure

For clients considering FinEx's MDA service please refer to its Supplementary FSG dated March 2017.

14. What about the Matter of "Investment Risk"?

In general, all investments have associated risks and in most cases, the higher the return, the higher the risk to your investment.

By 'risk' we mean the possibility that you will suffer some financial harm by investing. Your preparedness and capacity to carry a particular level or type(s) of risk in pursuit of your investment strategy is a fundamental element of your financial circumstances.

Risk should be considered when developing or reviewing your overall investment and wealth-creation strategy and this is a matter for you and your FSP to discuss in detail

15. FinEx Remuneration And Benefits

How are we remunerated and what other benefits might we receive for the services we provide?

FinEx may be paid in one or any combination of the following ways:

- a) FinEx is remunerated by the fees it charges your FSP. The fees that it charges your FSP is transaction based and is a fee per trade. This fee is negotiated between your FSP and FinEx and will be passed on to you. For every transaction you enter into you will be charged a brokerage fee that is determined by your FSP and this brokerage fee will include the fee that FinEx charges your FSP and may also include the fee that your FSP charges. FinEx's Third Party Clearer will collect the brokerage and remit this brokerage to FinEx (less their fees) and FinEx will then remit this to your FSP less the fees that is payable by the FSP to FinEx;
- b) FinEx will also charge a Management Fee on any Managed Account portfolios;
- c) We may be paid by the financial product issuer after you invest or contract;
- d) In special circumstances, we may receive performance based fees; or

GST is payable on all our charges.

How are our dealers and other staff remunerated?

FinEx's directors and staff (including its dealers) receive a salary. Directors and staff may also receive other benefits such as bonuses. They do not receive a proportion of the fees, charges or commissions you pay.

The range of our transactional charges

Brokerage on each purchase or sale on a relevant exchange or foreign market is calculated as a percentage of the dollar value of the transaction, subject to an agreed flat minimum fee. The total Brokerage you will pay on a transaction is set by your FSP but this will include the negotiated execution fee that FinEx has negotiated with your FSP. You should refer to your FSP's FSG for disclosure relating to the fees imposed by your FSP.

For a purchase, the total brokerage (which includes FinEx's fee and any brokerage your FSP may charge), together with any applicable duty or tax, is added to the transaction value and the total is the overall consideration payable by you. If payment in full is not received by the time and date shown on the Confirmation, you may be charged an administration fee (refer attached Schedule of Fees) or, ultimately, the holding may be sold-out in the market at your risk and expense.

For a sale, the total brokerage (which includes FinEx's fee and any brokerage your FSP may charge, together with any duty or tax payable, is deducted from the proceeds of your sale transaction. You may also be charged 'fail fees' (refer attached Schedule of Fees) if you fail to settle a sale by the time and date shown on the Confirmation. Ultimately, the unsettled position may be bought-back at your risk and expense.

All these amounts (except Fail Fees) are specified on the Confirmation sent to you.

Brokerage on transactions traded on ASX markets

The standard brokerage rates for transacting ASX traded financial products are set by your FSP and a guide is found in the attached Schedule of Fees. CHESS Sponsorship fees are also detailed in the attached Schedule. We do not

charge to sponsor your holdings, but we do charge for certain transfers other than those relating to settlement of on market transactions.

Brokerage on transactions NOT traded on ASX markets

We can arrange transactions in products other than ASX traded products (e.g. fixed income securities) with specialists in the relevant product. Brokerage will be negotiated with your FSP prior to accepting the order instructions. The method of calculating the brokerage is the same as described above.

Duties and taxes may not be payable depending on the product. See the attached Schedule.

Brokerage on International transactions

For transactions on a foreign stock exchange, the brokerage charged may also include some or all of the charges of the foreign stockbroker. Again, the methodology is the same as described above. Please refer to the attached Schedule of Fees.

Lodgment, Application, Acceptance Incentives and Trailing Commissions

If you apply for financial products by way of a PDS or Disclosure Document (e.g. a Prospectus), and your application is stamped by us and is accepted, we will usually receive an application / lodgment fee from the issuer in the range of 0.5% - 3% of the value of the application. FinEx may also receive acceptance incentives to encourage clients to accept a takeover or other offer. These range between 0.5% - 6% of the value of acceptance.

FinEx may receive trailing commissions from Cash Management Trust operators or WRAP platform providers if we have placed your funds to them. Trailing Commissions range from 0.5% - 2.5% calculated on the value of the funds remaining deposited or invested, and are usually payable every quarter.

All these are disclosed in the product's PDS, Disclosure Document or by us when providing advice.

Portfolio Administration and Managed Investment Schemes

FinEx's provides both Portfolio Administration Services (PAS) and Managed Investments Schemes (FinEx Managed Accounts) to you subject to advice provide to you via your FSP. The fees for these services are based on a percentage of the total Funds Under Management (FUM) as well as a fee for any transactions required to maintain your portfolio. The fees for providing these services will be negotiated with your FSP. Refer attached Schedule of Fees. Some FSPs have commercial arrangements with FinEx where we pay a rebate to the FSP. If such an arrangement is in place this will be detailed in your FSPs FSG.

Model Portfolio Service

FinEx's fee for providing this service will be negotiated with your FSP. Refer attached Schedule of Fees.

Specialist Advice

FinEx may charge for specialist advice. The fee would be negotiated with your FSP before we commenced work. Refer attached Schedule of Fees.

Other Benefits - interests in Financial Products that FinEx or our Dealer(s) may have

When we provide product advice, we are obliged to disclose any interest(s) our Dealer(s), FinEx or any associate has that may reasonably be capable of influencing that product advice.

Other Benefits – Underwriting, Sub-underwriting and other Corporate Fees

If we act as underwriter or sub-underwriter, we will usually receive a fee in the range of 0.2% to 5.0% (i.e. up to 5% of the total funds raised). The Underwriter pays sub-underwriters from their fee. FinEx would also receive lodgment fees (as described above) for client applications. If we facilitate a successful placement, FinEx would usually receive a fee in the range of 0.2% to 5% of the funds received by the issuer.

Fees or Other Rebates or Benefits payable to Referrers

FinEx may also receive fees directly from issuers as a result of handling your IPOs, capital raisings or new issue applications. This fee may be split between your FSP and FinEx and the amount of that split is negotiated on a commercial basis between your FSP and FinEx.

Detail of remuneration and other benefits can be requested

You are entitled to ask your FSP to request detailed particulars from FinEx of the remuneration or other benefits we will receive if you use a particular service, but that request must be made within a reasonable time after you receive this FSG and before any service is provided to you.

Part B. FinEx CHESS Sponsorship Agreement

Explanation of CHESS Sponsorship & Agreement Terms

Background on CHESS, the operator of the CHESS Sponsorship Agreement with you and Sponsorship of your Holdings.

Except for a very few financial products traded on the ASX's Integrated Trading System (ITS), holdings of financial products tradable on the ITS "Cash Product" Market are held in uncertificated, electronic form. Each ASX listed company or other issuer has a Register of holders. Each Register is made up of an Issuer Sponsored Sub-register and a Participant Sponsored Sub-register. All holdings of ITS traded financial products which are not Derivatives must be sponsored by either means. You have a choice of holding those products in electronic form sponsored by the Issuer of the product (i.e. Issuer Sponsored) or by a CHESS Participant (i.e. Participant Sponsored). We are a CHESS Participant and sponsor client holdings on CHESS. CHESS is the Clearing House Electronic Sub-register System and is the infrastructure ASX Group Participants, such as ourselves, use to control and to administer Sponsored Client holdings.

Security of your Holdings

If we change, in accordance with your written instructions, your registration details for holdings CHESS Sponsored by us, CHESS itself will also notify or confirm to you directly that your holding name/address has changed, that your Sponsoring Participant has changed or of other matters relating to your holding, whatever the case may be. This is an effective security measure. If you receive such a notice and you have not instructed us to make those changes, contact us immediately.

We and our duly appointed agent have access to and administer CHESS holdings sponsored by us. Each CHESS Holding Statement identifies us by our Participant Number. It also identifies you by listing your HIN. You must keep your HIN confidential because it is the key to your holdings, not unlike your PIN to access your bank account. Your Security holder Reference Number (SRN) for Issuer Sponsored Holdings (if you have any) must also be kept confidential.

If, for any reason, an unauthorised transfer of some or all of your holdings occurs, we are obliged by the ASX Settlement Rules to reinstate the holding(s). Behind us stands the National Guarantee Fund. If we do not reinstate holding(s), a claim for unauthorised transfer can be made to the National Guarantee Fund for compensation.

Explanation of Sponsorship Agreement Terms

This explanation is only a summary of the Agreement (see clause 7.4 of the Sponsorship Agreement). It is not a substitute for, or part of, the Sponsorship Agreement, nor is it another agreement in its own right. By signing the Sponsorship Agreement, you appoint us as your Sponsoring Participant for ITS traded non-Derivative financial products you purchase through us. We would be pleased to sponsor other holdings you may have which are Issuer Sponsored or sponsored by another ASX Group Participant (i.e. ASX Stockbroker).

FinEx is a party to an Equities and Derivates Clearing Agreement with FinClear Pty Ltd (**Clearing Participant**). The Clearing Participant is obliged to settle as principal and has the settlement obligations for all ASX Transactions.

As your Sponsoring Participant on CHESS, only we and our duly authorised agent can give instructions to CHESS in relation to administration or conversion of your holdings sponsored by us, or transfers to or from your

sponsored holdings following settlement of your transactions or following your Withdrawal Instructions. Furthermore, we or our duly authorised agent only have authority to access your holdings following your express instructions to do so (e.g. sell my BHP Billiton shares).

On CHES, your holdings are identified by your HIN which is allocated to you if you accept in clause 8 the terms and conditions of our sponsorship agreement. We will notify you of your HIN by return a copy of clause 8 for your records.

Sponsorship Agreement: This Agreement has 14 clauses, Its terms are very largely determined by the ASX Settlement Operating Rules applying to CHES Sponsorship. The “Definitions and Interpretation”, clauses, 1 (“Appointment of FinEx Clear Execution Limited”), 10 (“Claims for Compensation”), 13 (“Indemnity”) and 14 (“Miscellaneous”) are self-explanatory.

Clause 2 (“FinEx’s Rights”) imposes certain duties on you and gives us certain protections. Sufficient funds must be in your account to pay for any financial products purchased on your behalf, and associated transactional charges, before we will transfer the purchased products in to your name. We may charge you an administration fee for carrying your purchase until you pay for it in full (see “Buy Confirmation” terms). We have to pay for purchases you execute through us whether you’ve paid or not. If you do not pay, after a demand for payment those products may be sold at your risk and expense. You will be liable for any outstanding loss. You can give us instructions at any time to withdraw your holdings from CHES, and we must do so unless funds due from you are outstanding in which case we may continue to “control” holdings to the value (i.e. market value of the financial products we continue to hold) of 120% of the amount owed to us.

Clause 3 (“Your Rights”) imposes certain duties on us and informs you of your right of access to both our internal and external (i.e. FOS) complaint handling mechanisms (if you are a Retail Client), and to lodge certain claims for compensation with the National Guarantee Fund. See also clause 7.1(b).

Clause 4 (“Supply of Information”) obliges you to supply the information we require and to ensure it is, and remains, accurate and up to date..

Clause 5 (“Exchange Traded Options, Pledging & Sub-Positions”) is only relevant to you if you intend to lodge your holdings as collateral for written options positions or if you intend to permit a charge or sub-position over some or all of your holdings.

Clause 6 (“Fees”) notifies you that we will charge you fees for our services.

Clause 7 (“Notifications & Acknowledgements”) notifies you of, or has you acknowledge, various things, including:

Once a holding is transferred by us, you cannot claim against the ASTC (the operator of CHES) or the Issuer that it was not affected by us or that we were not authorised to make the transfer.

You may report to us for a breach of any provision of the Agreement.

You have certain rights if we are suspended from accessing CHES. You will be given opportunity to instruct ASTC to move your holding to the control of another Sponsoring Participant or ASTC will make that choice for you.

Clauses 7.5 and 7.6 address what action we will take in the event of your death and/or bankruptcy.

Clause 8 (“Joint Holdings”) addresses bankruptcy and/or death of one or more parties to a joint holding. Sponsored holdings may have up to 3 joint holders. In the event of bankruptcy of one, the interests of the bankrupt are excised from the interests of the others. The others may continue to operate as normally under a new holding. In the case of the death of one, the general legal principle is that the interests of the deceased pass to the remaining joint holders, not the estate of the deceased person.

Clause 9 (“Change of Controlling Participant”) addresses a situation in which through the takeover or demise of our business, all our Sponsored

Holdings on CHES may be transferred in full to another Controlling Participant in the interests of minimising disruption to your investment or trading activities

Clause 10 (“Claims for Compensation”) sets out means of seeking compensation

Clause 11 (“Termination”) sets out that both of us can terminate the Sponsorship Agreement by notice in writing, which will take effect upon receipt of the notice by the other party. In certain circumstances, the Agreement is terminated automatically.

Clause 12 (“Variation”) permits variation by notification to you where variation is required because the terms of the Agreement have become or are becoming inconsistent with the ASX Settlement Operating Rules. In all other instances, a variation to the Agreement is only effective if agreed by us both in writing and verbally.

Clause 13 (“Indemnity”) describes the indemnity that you will provide to FinEx

Part C. FinClear Disclosure Statement

FinClear Pty Ltd ABN 63 607 164 714 AFSL No 481 017 (FinClear)
Disclosure Statement for clients of FinClear Execution Limited (FinEx)

1. Your clearing arrangements with FinClear

FinClear is admitted as a Clearing Participant in accordance with the ASX Clear Rules. You are receiving this disclosure statement as you have entered into an arrangement with the Broker to execute on your behalf transactions in Cash Market Products on or through the ASX and Chi-X markets in Australia, and your Broker has appointed FinClear as its clearing and settlement participant for such transactions. Whenever you place an Order with the Broker (as your agent) to purchase or sell Cash Market Products by means of a Transaction to be cleared through ASX Clear, you are immediately deemed to have entered into an agreement with FinClear on the terms and conditions set out below in this Disclosure Statement (**Terms and Conditions**).

By placing an Order with the Broker, you accept and agree to be bound by these Terms and Conditions.

FinClear carries the clearing obligations and any settlement obligations (together, **Settlement Obligations**) for all Transactions effected through the Broker (including those effected by the Broker on your behalf) and FinClear must settle as principal with ASX Clear or the relevant counterparty, even though the Transaction may have been entered into on your behalf. Your Settlement Obligations are therefore owed directly to FinClear (and not the Broker). In the event that you fail to complete a contract in accordance with the ASX Clear Rules or fail to pay the amounts due in respect of a Transaction, FinClear has direct rights against you, including rights of sale under the Exchange Rules and ASX Clear Rules, and those described in these Terms and Conditions.

2. Conduct of Business

You acknowledge and agree:

- to comply with these Terms and Conditions, all applicable laws, the Exchange Rules, ASX Clear Rules and ASX Settlement Rules and the directions, decisions and requirements of each Relevant Exchange and the customs and usages of the Market. Upon request, you are able to inspect copies of the Exchange Rules, ASX Clear Rules and ASX Settlement Rules at the Broker's offices; and
 - that all Transactions are subject to the Exchange Rules, ASX Clear Rules, the directions, decisions and requirements of the Relevant Exchange and the customs and usages of the Market, the correction of errors and omissions and, if the sale or purchase is in relation to Cash Market Products approved for settlement by ASX Settlement, the ASX Settlement Rules.
- 3. FinClear' right to require the Broker to refuse to accept Orders**
- You acknowledge that FinClear may at any time in its absolute discretion direct the Broker to:
- refuse to accept you as a client or not to accept Orders from, or execute Orders for you; or
 - refuse to accept a particular Order from you; or
 - obtain, and provide to FinClear, additional information relating to you.

4. Purchases and Sales

You must ensure that your Settlement Obligations are met in full and are received by FinClear before the Settlement Date and Time (and you are responsible for ensuring that you have sufficient funds or Cash Market Products (as applicable) before the Settlement Date. . The "**Settlement Date and Time**" for sales or purchases is the date and time that is specified on the front of the relevant Confirmation that you will receive from the Broker. If no date and time are specified or no Confirmation is required to be given, the Settlement Date and Time is 9.00am (Sydney time) on the second Business Day after the execution of the Transaction. The Broker has no authority to extend the Settlement Date and Time without the consent of FinClear to such extension.

In accordance with the provisions of the Corporations Act, and the regulations made under the Corporations Act (**Corporations Regulations**), pending settlement by you, these Terms and Conditions and the relevant Confirmation (if any) constitutes notice to you that FinClear may hold under general law, a lien and right of sale in the Cash Market Products purchased for you in a particular transaction if FinClear has received and paid for such Cash Market Products on your behalf.

You must ensure that FinClear (via your Broker) has all documents and security holder information (including the holder identification number or personal identification number and, if applicable, holder reference number (**Security Holder Information**) no later than two business days before the Settlement Date and Time.

If you have entered into a Sponsorship Agreement with either FinClear or your Broker, you will be taken to have satisfied this obligation if you ensure that sufficient ASX products are held in your Sponsored Holding with FinClear or the Broker (as the case may be), those ASX Products are unencumbered and if the consent of any third party is required before FinClear or the Broker (as the case may be) may withdraw those ASX

products, that consent has been obtained and communicated to FinClear.

You irrevocably authorise FinClear to apply any ASX Products held in your Participant Sponsored Holding to satisfy your Settlement Obligations arising from any Transactions executed by the Broker on your behalf.

If you are not currently sponsored by FinClear or the Broker, FinClear recommends that you enter into a Sponsorship Agreement with FinClear or the Broker to enable easy transfer of your ASX Products under CHESS (**Clearing House Electronic Subregister System**).

Credits in respect of sales are not available until the latest of:

- (a) the Settlement Date and Time; and
- (b) all amounts due and payable by you to FinClear via the Broker have been paid.

Unless and except where FinClear has agreed alternative arrangements with you, FinClear will pay all sale proceeds (net of any applicable cost, expenses or taxes) directly to you.

5. Misdirected Market Transactions

If at any time Transactions executed by the Broker are also to be cleared through a Clearing Participant (other than FinClear), you acknowledge that:

- (a) the Broker may, incorrectly or otherwise, direct a Transaction which it has executed on your behalf to a Clearing Participant other than FinClear (**Misdirected Market Transaction**);
- (b) FinClear does not have any Settlement Obligations in respect of any Misdirected Market Transaction; and
- (c) FinClear will not provide you with a Confirmation in respect any Misdirected Market Transaction.

6. Short sales

A "short sale" is when Cash Market Products are sold on your behalf, or you place an Order with the Broker to sell Cash Market Products, at a time when you do not have a presently exercisable and unconditional right to vest the Cash Market Products in a buyer. Under section 1020B(2) of the Corporations Act, you are prohibited from effecting a short sale unless you are able to rely on an exemption from that prohibition provided in the Corporations Act, Corporations Regulations or provided by way of ASIC class order relief or other current and effective relief granted by ASIC. You must not place an Order for a short sale with the Broker unless you are able to rely on such an exemption. For the avoidance of doubt, you are able to rely on such an exemption where the circumstances of your Order are such that you are able to satisfy all conditions of any one or more exemptions to the prohibition on short selling.

7. No Advice

You acknowledge that FinClear does not provide financial product advice to you, nor does it accept responsibility for any financial product advice given to you by the Broker or any other person. You must not represent to any person that FinClear has given any financial product advice to you.

8. Warranties by the client

You represent and warrant that before placing any Order with the Broker:

- (a) you will be in a position to pay for any Cash Market Products purchased and have a presently exercisable and unconditional right to vest any Cash Market Products sold in the buyer, to enable settlement at the Settlement Date and Time; and
- (b) if your Order relates to the purchase of a Partly Paid Security (as defined in the Market Integrity Rules), you have made arrangements with the Broker to make further payments in respect of the Partly Paid Securities such that there would be a sufficient amount available to FinClear to cover any liability arising from all possible future calls in respect of the Partly Paid Securities.

9. Confirmations

You will be given confirmations as required by the Corporations Act and the Market Integrity Rules (**Confirmations**).

You authorise the Broker (on behalf of the FinClear) to give Confirmations to you electronically to the email address notified to the Broker on yourself for this purpose. You may not be provided with paper copies of Confirmations.

You agree to promptly check the accuracy of every Confirmation sent to you and to notify the Broker immediately of any error that you consider may have occurred. In the absence of such notification from you within 24 hours, you will be taken to have accepted the accuracy of the Confirmation.

A Confirmation may at any time be re-issued to you in order to correct any errors or omissions and the terms and conditions of the original Confirmation will apply in relation to the reissued Confirmation.

Where the Broker enters into multiple Transactions in order to complete your Order (whether on one or more Relevant Exchanges or otherwise), you authorise the Broker to accumulate those Transactions on a single Confirmation and to specify the volume weighted average price for those Transactions on that Confirmation. If requested by you, the Broker will, if required under the Market Integrity Rules, give you a statement of all the individual prices of the relevant transactions which are accumulated and averaged in a Confirmation.

If you are a Wholesale Client for the purposes of the Market Integrity Rules, the Broker may elect not to give any Confirmations to you in relation to Transactions executed for you.

10. Failure to Settle

You acknowledge that, if you fail to make any payment due to FinClear via the Broker or otherwise comply with the Settlement Obligations that you owe to FinClear in relation to a Transaction in accordance with these Terms and Conditions or the relevant Confirmation, if any (**fail to settle**), FinClear may pursue any remedy that it has against you or the Broker, and FinClear may do any one or more of the following:

- (a) charge an administration fee calculated by reference to the additional cost which may be incurred by FinClear or the Broker (including any fail fees imposed by a Relevant Exchange or ASX Clear) as a result of your failure to settle;
- (b) levy a default charge on the amount from time to time outstanding
- (c) in the case of a purchase, sell out (or procure the sell out of) any Cash Market Products purchased or otherwise held on your behalf (and you are fully responsible for any loss in connection with such sale) and apply the proceeds (net of any applicable taxes) in reduction of your liability to FinClear and to recover FinClear's costs and losses in so acting;
- (d) in the case of a sale, buy in (or procure the buy in of) any Cash Market Products sold (and you are fully responsible for any loss in connection with such purchase) and recover BNP Paribas's costs and losses (including taxes) in so acting;

If you fail to settle, FinClear may make arrangements on your behalf to ensure that your Settlement Obligations are performed (including by buying-in or borrowing the relevant Cash Market Products).

If you have not met your Settlement Obligations owed to FinClear in respect of a Transaction executed for you by the Broker by the date which is 5 Business Days after the date on which that Transaction was

executed, it is FinClear' policy (and FinClear may be obliged under the ASX Settlement Rules), without any notice to you:

- (a) in the case of a purchase, to execute a Transaction to close out the failed purchase (by selling the relevant Cash Market Products); or
- (b) in the case of a sale, to execute a Transaction to close out the failed sale (by buying-in the relevant Cash Market Products), and recover any resulting loss and costs (including taxes) from you. You must pay or reimburse FinClear any such administration fees and default charges (together with any GST payable on those amounts and gross-up amounts for tax deducted or withheld) immediately upon demand or at FinClear' option it may deduct such administration fees and default charges (and any GST) from any sale proceeds or other amounts otherwise payable to you.

The manner in which FinClear may exercise or not exercise, or the timing of or any delay in any exercise by FinClear of, any right of FinClear under this clause is not to be taken to be financial product advice by FinClear to you, and you must not represent to any person that it is financial product advice by FinClear.

FinClear will not be liable to you for any failure by FinClear to exercise (or any delay in the exercise by FinClear of) any right FinClear may have against you, or any loss incurred by you as a result of FinClear not exercising any of its rights against you immediately, or at all, following any failure by you to comply with your obligations.

The rights described in this clause 10 are in addition to any rights that are conferred to FinClear under the Exchange Rules and the ASX Clear Rules. Nothing in this clause 10 purports to exclude any rights of FinClear that arise by operation of general law.

11. Cancellations

You acknowledge that each Relevant Exchange has the power under the Exchange Rules to cancel or amend (or request or agree to the cancellation or amendment of) any Transaction or Crossing. You authorise FinClear to, and agree that FinClear may, without your consent, cancel or amend (or request or agree to the cancellation or amendment of) any Transaction or Crossing relating to the sale or purchase (as the case may be) of Cash Market Products:

- (a) if requested to do so by the Broker in accordance with the Exchange Rules;

Part E. FinEx Financial Services Guide

FinClear Execution Ltd (ABN 56 061 751 102 AFSL 246842)

Financial Services Guide (FSG)

Issue Date: 1 April 2017

Purpose of this FSG

The purpose of this Financial Services Guide (FSG) is to help you decide whether to use any of the service arrangements your financial services provider (FSP) has in place with FinClear Execution Ltd (FinEx). It aims to provide sufficient information for you to make an informed decision about using our limited dealing, advisory and related services. Our services, and the financial products they cover, can be complex and subject to special regulations impacting how the services are to be provided. That's why this FSG describes them in some detail. **It is important that you read it carefully and file it away for later reference.** Should you wish to discuss the services described in greater depth, you should contact your FSP.

This FSG contains information about, amongst other things, investment risk, interests of ours which may conflict with yours, and remuneration/benefits payable to FinEx if you use our services. Charges, commissions or fees not listed in the body of this FSG are listed in the attached Schedule of Fees. This FSG also tells you what to do if you have a complaint and how we would handle it. It explains the need for, the protection of, and how we use your personal information provided to us by your FSP.

Who Are We?

FinEx (previously Lonsec Ltd, trading as Lonsec Stockbroking) holds an Australian Financial Services License (AFSL) issued by the Australian Securities and Investments Commission (ASIC) (AFSL No. 246842) and is an ASX Limited (ASX) Market and Account Settlement Participant.

Associations

FinEx was purchased by Finclear Pty Ltd (FinClear) on 7 October 2017 and is a wholly owned subsidiary of FinClear Pty Ltd (FinClear). FinClear holds its own AFSL (AFSL No 481017) and is an ASX Clearing and General Settlement Participant of ASX who is the provider of third party clearing and settlement services.

As FinEx is not an ASX Clearing Participant, it is required to enter into third party clearing arrangements with an ASX Clearing Participant (Third Party Clearer). FinEx's Third Party Clearer is FinClear Pty Ltd (FinClear). As FinEx's Third Party Clearer, FinClear has the clearing and settlement obligations for all ASX transactions executed by FinEx on behalf of its clients. FinEx also has commercial arrangements (Services Agreements) with your FSP for FinEx to provide the services as described in this FSG.

In addition, FinEx aims to identify and secure access to a wide range of quality investment opportunities likely to be of interest to clients. In doing so, FinEx may develop relationships with issuers which involve FinEx receiving fees for rating, promoting or arranging client investment in their financial products. These relationships may lead to research being commissioned from FinEx, success fees, distribution/research introduction fees, portfolio advice or transaction fees etc.

which enable FinEx to source the products for clients. If FinEx receives any monetary or other benefits, that will be disclosed in any 'offer' documentation or research distributed to your FSP.

FinEx is not controlled by any issuers, and our Directors and staff do not act in that or any other capacity within the business of an issuer of financial products.

What documentation will I receive?

To open an account with FinEx you have to complete and sign our New Account Application Form, which is available from your FSP. Its acknowledgements, authorisations and consents govern our dealing related services. In particular, you authorise us to deal and do other things on your behalf in accordance with the instructions of your FSP. We do not expect you to contact us directly and we will only act on the instructions of your FSP.

You may receive Product Disclosure Statements (**PDS**) if we offer to issue or arrange for the issue of certain financial products. A PDS is an important document and sets out the information needed to make an informed investment decision about whether to acquire the product. Any PDS that is required to be provided to you will be provided to you via your FSP.

FinEx does NOT provide personal advice (see Section 0 below). We will never provide advice about whether a product is a suitable investment for you personally, and consequently you will not receive Statements of Advice (**SOA**) from us. All our advice will be general product advice (see Section 0, below), which is based solely on our assessment of the investment/trading merits of the financial product and does not take into account your personal financial situation, needs or objectives.

If you use your FSP's stockbroking services, our execution and settlement infrastructure is used. An account will be established at **FinEx** in your name. You will have to fill out, sign and return our account opening documentation (i.e. our New Account Application), which will be submitted by your FSP.

You may also have to sign and return certain prescribed product-specific agreements (e.g. ASX Warrants Client Agreement), and receive prescribed Explanatory Booklets or other documentation, before FinEx can accept any orders from your FSP for that product(s).

FinEx may also underwrite issues of securities and interests in managed investment schemes and operate custodial or depository services other than investor directed portfolio services to retail and wholesale clients

By '**advice**' we mean a recommendation or opinion, written or verbal, about an investment product or strategy. The important difference between general and personal advice is explained in Sections 0 and 0, below.

By '**dealing**' we mean acquiring and disposing of products on behalf of clients.

Our services focus on financial products that may be applied for and settled or redeemed and settled (i.e. they are not listed but are cleared and settled by CHES) traded or to be traded on 'live' markets such as those operated by ASX. In relation to foreign traded products, we have arrangements in place with other stockbrokers operating on major overseas securities or stock exchanges in order to transact on those markets.

FinEx also provides general advisory and dealing services in relation to other unlisted products such as bank bills, bonds, other money market instruments, debentures, endowment and other types of warrants, and superannuation and other trust products (e.g. property and equities trusts).

Who will be providing the services to you?

FinEx is a specialist provider of wholesale stockbroking services to financial services providers such as financial planners and other AFSL holders. We supply execution and settlement services and we can also source research, market news and model portfolios from third party providers. We take no responsibility for the content of the information provided by these third party providers.

Our Third Party Clearer will administer the client's Participant Sponsored Holdings on our behalf of but FinEx Limited remains responsible to the client for any actions or matters done or omitted to be done in respect of the client's Participant Sponsored Holdings. The Third Party Clearer will also provide services to clear and settle the transactions that you execute through FinEx.

The FSP you have chosen to use, holds an AFSL or is an Authorised Representative of, an AFSL holder and will have the necessary financial services/product authorisations to use our services on your behalf. FinEx has a wholesale service relationship with your FSP. You have a direct, primary relationship with your FSP and a secondary relationship with us.

Our advisory and research services are subject to different arrangements. They are provided directly to your FSP for their reference and support when researching recommendations for you in relation to market-traded products.

If you wish to execute transactions using our services, please contact your FSP who will arrange to have those transactions executed by FinEx.

Therefore, the client relationship we have with you is essentially limited to dealings conducted on behalf of your account in accordance with the order instructions provided to us by your FSP, following your consultations with them.

Who do we act for when providing services?

When providing our execution services, we will be acting on instructions provided by your FSP, and we will be acting as your agent. At times, we may even be acting as agent for another client who is the counterparty to your transaction (e.g. a sale of shares on market between clients).

On rare occasions we may act 'as principal' on our own account and appear on the other side of a transaction with you. In such circumstances we cannot charge you brokerage. We may also accumulate and price-average a number of transactions on one Confirmation. Your consent to these scenarios is granted when you sign the acknowledgements, authorisations and consents in our New Account Application.

Our advisory services are provided only to your FSP and your FSP may pass these services to you.

Terms and conditions applying to our services

All market transactions are executed subject to:

the Services Agreement we have with your FSP;

the acknowledgements, authorisations and consents you agree to when you sign our New Account Application form; the ASIC Market Integrity Rules, the directions, decisions and requirements of ASX, ASX Operating Rules, ASX Clear Rules and ASX Settlement Rules and any other relevant market operator;

the customs and usages of the relevant market and the correction of any errors and omissions.

You should read our New Account Application form carefully before signing. The Services Agreement between FinEx and your FSP ensures all the necessary market related services are available to support the services your FSP provides directly to you.

More About Our Dealing Services

Dealing services means buying, selling, applying for or redeeming financial products on behalf of clients.

Primary market

FinEx provides your FSP with access to investment opportunities made available by an issuer rather than someone selling on market. These involve applying for, or redeeming financial products. Your FSP can assist you make applications for Initial Public Offerings (IPOs) and other new issues of securities (e.g. shares) or interests in managed investment schemes (e.g. equity trust units). We can assist your FSP in arranging applications or redemptions.

Secondary market

Secondary Market transactions are dealt on market. The products have already been issued.

Before using our dealing services for the first time, we require your FSP to verify your identity as required under the AML/CTF Act and to confirm settlement arrangements.

FinEx has immediate access, when ASX Markets are open, to order execution and transaction settlement platforms. Subject to the relevant dealing and settlement regulations, FinEx will accept and transact orders placed by your FSP, on your behalf, and will facilitate settlement via its Third Party Clearer.

There may be other circumstances in which FinEx will not be able to accept order instructions, but they are most unlikely and we would give your FSP reasons for not doing so and assist with alternative arrangements.

A Confirmation will be dispatched directly to you following execution of a market transaction. It confirms the detail of the transaction, the contractual terms and conditions which applied to the transaction, and also serves as a Tax Invoice. If you so authorise, in the New Account Application, a copy will go to your FSP.

We urge you to have us CHESS sponsor your holdings of traded products (i.e. sign the Sponsorship Agreement in our New Account Application). This service has many advantages and minimises the risk of failed settlement of sell transactions, which incurs additional fees.

Your FSP must instruct us in certain ways

FinEx will accept instructions from your FSP in a number of ways including electronically (email or through an electronic order pad) or over the phone. Notifications and instructions in relation to important matters (e.g. change of your address, payment of sale proceeds to parties other than you) must be provided to us (via your FSP) in writing, signed by you.

Market Transactions may be cancelled by ASX

ASX has the power, when market integrity is at stake, to cancel or amend a market transaction (or reinstate an order) which has been executed. Cancellation of an executed transaction would mean the loss of the benefit of the market price and other entitlements flowing from the transaction. Amendment of a transaction may have a similar impact. You would not be entitled to any compensation from us or ASX.

Settlement requirements

FinEx will not, nor is it obliged to, settle cash (currency). We will not pay you in cash and we won't accept cash from you or your FSP directly. You can make electronic transfers or pay via cheques to settle your transactions. In the case of transactions executed on ASX Markets, funds (i.e. cheques or direct deposits), documents (e.g. share certificates, prescribed statutory declarations) or sponsored holdings must be available to FinEx's Third Party Clearer by the time and date specified on the Confirmation.

Interest on Trust account balances

Any funds you deposit with us and will be held in FinClear's Third Party Clearer's Trust Account for limited periods, usually very short periods and the Third Party Clearer is entitled to the interest earned on Trust Account balances.

More About Our Advisory Services

'Advisory services' means recommendations or opinion, whether in written or report form or provided verbally, that are intended to influence a person in making an investment decision. 'Advice' falls within one of two categories: either **General** or **Personal** advice.

Personal advice is advice given to a person in circumstances where consideration has been given to whether the product is personally suitable in light of what is known about one or more of the person's objectives, financial situation and needs, or where it might reasonably be expected one or more of those matters has been considered.

General advice is strictly limited to an assessment of the investment and/or other merits of the product itself (see section 0 below).

FinEx will only provide General or Product Advice. FinEx will never provide Personal Advice to you.

Your FSP has engaged FinEx to provide execution services and to arrange for the distribution of research. The fact that you may see our product advice (e.g. research) does not mean we are providing advice tailored to you personally or that we have an ongoing advisory service relationship with you directly. Your FSP has that role and responsibility.

What are the limitations of research, newsletters and other opinions we provide?

Research and other product advice presents the opinion of specialist analysts. The assumptions on which that opinion is based mean that forecast performance cannot be guaranteed. Past performance is not a reliable indicator of future investment performance. A recommendation or rating may only be valid for a limited time and is often subject to movements in market price.

Just because you see that a product is recommended or rated in a report or a newsletter as a 'buy', 'sell', 'hold', 'accumulate', 'underweight', 'overweight', 'neutral', 'out-perform' or 'under-perform' does not mean that recommendation is appropriate for you specifically. You must consult your FSP before acting on any report or recommendation presented in a newsletter.

Product Advice - General Advice

Product advice is a rating or assessment based solely on the attributes of the financial product, the portfolio or investment strategy alone without considering whether it is also appropriate for someone's financial circumstances. Product advice is considered to be General Advice.

Research

Product advice includes research reports and newsletters. FinEx has entered into a commercial arrangement with Lonsec Research Pty Ltd (**Lonsec Research**) for Lonsec Research to supply FinEx with research reports. FinEx may make these available to your FSPs. You must not assume that the research reports or research recommendations or ratings distributed by FinEx research are appropriate for you personally. The process of profiling a client's circumstances and objectives is not relevant in relation to product advice. Product advice may be derived from fundamental analysis (i.e. analysis of financial reports) or technical analysis (patterns in market trading and price-movement behaviour). Product advice will be accompanied by the warning that the advice is not a recommendation that a particular transaction is personally appropriate for any particular person, and that you will need to consider (guided by your FSP) whether acting on the advice is appropriate in light of your financial circumstances. If a PDS is relevant for the Financial Services Guide product recommendation, the warning will also highlight the need, before making a decision to invest, to ensure you read and carefully consider the PDS.

Model Portfolio Services

Under the arrangement with Lonsec Research, FinEx also has access to Model Portfolios that have been developed and maintained by Lonsec Research. Your FSP may determine that a direct investment in a portfolio of market traded products would be appropriate as part of your overall financial plan, and request FinEx to arrange a portfolio to a particular value based on one of the Model Portfolios developed by Lonsec Research. There are a number of notional Model Portfolios, each having different collective investment/risk characteristics. The portfolio proposal prepared for your FSP is general product

advice. It is based solely on the investment merits of the Model Portfolio selected, and the shares or other products making up the particular portfolio. Even though FinEx is asked to propose a portfolio to a particular value, and to give a view on your existing holdings (if any), our advice remains limited to product advice. Whether the proposed portfolio is suitable for you personally is entirely the responsibility of your FSP. If you see the proposal, it will usually be supporting your FSP's Statement of Advice to you.

The Model Portfolios that FinEx has access to reflect an active investment philosophy, focusing on generating absolute returns over the medium to long-term by means of concentrated portfolios. FinEx Lonsec Research (the entity that developed the model portfolios) uses a four-step investment process, which has a strong focus on 'top-down' macro-economic (step 1) and sector themes (step 2). The third-step applies a number of filters (i.e. industry ratings, issuer quality, valuation of issuer, issuer's risk rating) to facilitate stock selection. The fourth step is the on-going monitoring of the Model Portfolio. If we change stocks in a Model Portfolio, we advise your FSP and your FSP will review your portfolio accordingly.

Personal Advice

Personal advice recommends a product as being appropriate for a client personally, following consideration of their personal financial circumstances and investment objectives.

Your FSP, not FinEx, will provide this category of advice.

A Statement of Advice is only relevant in the context of personal advice, not product advice. You will never receive Statement of Advice from FinEx.

MDA Disclosure

For clients considering FinEx's MDA service please refer to its Supplementary FSG dated 1 April 2017.

What about the Matter of "Investment Risk"?

In general, all investments have associated risks and in most cases, the higher the return, the higher the risk to your investment.

By 'risk' we mean the possibility that you will suffer some financial harm by investing. Your preparedness and capacity to carry a particular level or type(s) of risk in pursuit of your investment strategy is a fundamental element of your financial circumstances.

Risk should be considered when developing or reviewing your overall investment and wealth-creation strategy and this is a matter for you and your FSP to discuss in detail

FinEx Remuneration And Benefits

How are we remunerated and what other benefits might we receive for the services we provide?

FinEx may be paid in one or any combination of the following ways:

- FinEx is remunerated by the fees it charges your FSP. The fees that it charges your FSP is transaction based and is a fee per trade. This fee is negotiated between your FSP and FinEx and will be passed on to you. For every transaction you enter into you will be charged a brokerage fee that is determined by your FSP and this brokerage fee will include the fee that FinEx charges your FSP and may also include the fee that your FSP charges. FinEx's Third Party Clearer will collect the brokerage and remit this brokerage to FinEx (less their fees) and FinEx will then remit this to your FSP less the fees that is payable by the FSP to FinEx;
- FinEx will also charge a Management Fee on any Managed Account portfolios;
- We may be paid by the financial product issuer after you invest or contract;
- In special circumstances, we may receive performance based fees; or

GST is payable on all our charges.

How are our dealers and other staff remunerated?

FinEx's directors and staff (including its dealers) receive a salary. Directors and staff may also receive other benefits such as bonuses. They do not receive a proportion of the fees, charges or commissions you pay.

The range of our transactional charges

Brokerage on each purchase or sale on a relevant exchange or foreign market is calculated as a percentage of the dollar value of the transaction, subject to an agreed flat minimum fee. The total Brokerage you will pay on a transaction is set by your FSP but this will include the negotiated execution fee that FinEx has negotiated with your FSP. You should refer to your FSP's FSG for disclosure relating to the fees imposed by your FSP.

For a purchase, the total brokerage (which includes FinEx's fee and any brokerage your FSP may charge), together with any applicable duty or tax, is added to the transaction value and the total is the overall consideration payable by you. If payment in full is not received by the time and date shown on the Confirmation, you may be charged an administration fee (refer attached Schedule of Fees) or, ultimately, the holding may be sold-out in the market at your risk and expense.

For a sale, the total brokerage (which includes FinEx's fee and any brokerage your FSP may charge, together with any duty or tax payable, is deducted from the proceeds of your sale transaction. You may also be charged 'fail fees' (refer attached Schedule of Fees) if you fail to settle a sale by the time and date shown on the Confirmation. Ultimately, the unsettled position may be bought-back at your risk and expense.

All these amounts (except Fail Fees) are specified on the Confirmation sent to you.

Brokerage on transactions traded on ASX markets

The standard brokerage rates for transacting ASX traded financial products are set by your FSP and a guide is found in the attached Schedule of Fees. CHESS Sponsorship fees are also detailed in the attached Schedule. We do not charge to sponsor your holdings, but we do charge for certain transfers other than those relating to settlement of on market transactions.

Brokerage on transactions NOT traded on ASX markets

We can arrange transactions in products other than ASX traded products (e.g. fixed income securities) with specialists in the relevant product. Brokerage will be negotiated with your FSP prior to accepting the order instructions. The method of calculating the brokerage is the same as described above.

Duties and taxes may not be payable depending on the product. See the attached Schedule.

Brokerage on International transactions

For transactions on a foreign stock exchange, the brokerage charged may also include some or all of the charges of the foreign stockbroker. Again, the methodology is the same as described above. Please refer to the attached Schedule of Fees.

Lodgment, Application, Acceptance Incentives and Trailing Commissions

If you apply for financial products by way of a PDS or Disclosure Document (e.g. a Prospectus), and your application is stamped by us and is accepted, we will usually receive an application / lodgment fee from the issuer in the range of 0.5% - 3% of the value of the application. FinEx may also receive acceptance incentives to encourage clients to accept a takeover or other offer. These range between 0.5% - 6% of the value of acceptance.

FinEx may receive trailing commissions from Cash Management Trust operators or WRAP platform providers if we have placed your funds to them. Trailing Commissions range from 0.5% - 2.5% calculated on the value of the funds remaining deposited or invested, and are usually payable every quarter.

All these are disclosed in the product's PDS, Disclosure Document or by us when providing advice.

Portfolio Administration and Managed Investment Schemes

FinEx's provides both Portfolio Administration Services (PAS) and Managed Investments Schemes (FinEx Managed Accounts) to you subject to advice provide to you via your FSP. The fees for these services are based on a percentage of the total Funds Under Management (FUM) as well as a fee for any transactions required to maintain your portfolio. The fees for providing these services will be negotiated with your FSP. Refer attached Schedule of Fees. Some FSPs have

commercial arrangements with FinEx where we pay a rebate to the FSP. If such an arrangement is in place this will be detailed in your FSPs FSG.

Model Portfolio Service

FinEx's fee for providing this service will be negotiated with your FSP. Refer attached Schedule of Fees.

Specialist Advice

FinEx may charge for specialist advice. The fee would be negotiated with your FSP before we commenced work. Refer attached Schedule of Fees.

Other Benefits - interests in Financial Products that FinEx or our Dealer(s) may have

When we provide product advice, we are obliged to disclose any interest(s) our Dealer(s), FinEx or any associate has that may reasonably be capable of influencing that product advice.

Other Benefits – Underwriting, Sub-underwriting and other Corporate Fees

If we act as underwriter or sub-underwriter, we will usually receive a fee in the range of 0.2% to 5.0% (i.e. up to 5% of the total funds raised). The Underwriter pays sub-underwriters from their fee. FinEx would also receive lodgment fees (as described above) for client applications. If we facilitate a successful placement, FinEx would usually receive a fee in the range of 0.2% to 5% of the funds received by the issuer.

Fees or Other Rebates or Benefits payable to Referrers

FinEx may also receive fees directly from issuers as a result of handling your IPOs, capital raisings or new issue applications. This fee may be split between your FSP and FinEx and the amount of that split is negotiated on a commercial basis between your FSP and FinEx.

Detail of remuneration and other benefits can be requested

You are entitled to ask your FSP to request detailed particulars from FinEx of the remuneration or other benefits we will receive if you use a particular service, but that request must be made within a reasonable time after you receive this FSG and before any service is provided to you.

FinClear provides/arranges to provide clearing, settlement and nominee services. You have received a copy of this FSG because your Broker has arranged for FinClear to provide one or more of the following services:

a) Clearing services for transactions in securities and interests in managed investment schemes executed on a Relevant Exchange

FinClear may be engaged by a Broker to clear the transactions in securities and interests in managed investment schemes executed on a Relevant Exchange by the Broker. If you are a client of one of those Brokers and you effect a transaction in securities or interests in managed investment schemes on a Relevant Exchange through the Broker, FinClear (as clearer) will carry the settlement obligations in respect of that transaction.

For this purpose, you will become a client of FinClear and you will owe your settlement obligations in respect of that transaction directly to FinClear and not to the Broker. If you are a client of one of those Brokers, you will be provided with a Disclosure Statement which contains more information concerning the clearing services FinClear provides and the terms of your agreement with FinClear in respect of the those services.

b) Execution, clearing and settlement services for transactions in securities on international markets

FinClear may also be engaged by a Broker to arrange execution, clearing and settlement services in securities on international markets for clients of the Broker. This means that FinClear will arrange for the execution, clearing and settlement of the transaction with an entity which holds the appropriate authorisation to do so in that market (**International Securities Trader**).

As a client of one of those Brokers, you may effect an international securities transaction on an international market by providing instructions to the Broker. The Broker, acting as your agent, will then communicate your instructions to FinClear who, in acting for you, will communicate them to the International Securities Trader for fulfilment through FinClear's Account with that International Securities Trader. Securities traded on your behalf using FinClear's Account will be traded beneficially for you by FinClear. For this purpose, you will become FinClear's client, but not the client of the International Securities Trader.

FinClear will also arrange for the International Securities Trader to clear and settle all transactions in securities that it has executed on your behalf under this arrangement. Accordingly, FinClear will carry the settlement obligations in respect of those transactions. For this purpose, you will become a client of FinClear and you will owe your settlement obligations in respect of those transactions directly to FinClear and not to the Broker or the International Securities Trader.

c) Settlement and nominee services - general

FinClear may also be engaged by a Broker to provide to clients of the Broker settlement services in securities and interests in managed investment schemes. This means that FinClear will settle transactions arranged for you by the Broker and executed on a Relevant Exchange for you by a Trading Participant of a Relevant Exchange.

However, FinClear will only settle such transactions if, in the case of a purchase, the necessary funds are made available to FinClear and, in the case of a sale, the financial products sold are made available to FinClear, in each case in sufficient time before the time the transaction is to be settled.

As part of this service, FinClear will also arrange for your securities and interests in managed investment schemes to be held as nominee by FinClear Nominees as nominee for you.

For the purpose of settlement and nominee services, you will become FinClear's client.

d) Settlement and nominee services – MDA accounts

FinClear may be engaged to provide settlement and nominee services as described in paragraph 4 b) above to clients of the Broker Broker in connection with the provision to the Client by the Broker Broker of managed discretionary account (MDA) services. In that event, FinClear will be responsible only for the following services:

- the settlement of transactions which the Broker has arranged to be executed on a Relevant Exchange on your behalf (provided that FinClear will only settle such transactions if, in the case of a purchase, the necessary funds are made available to FinClear and, in the case of a sale, the financial products sold are made available to FinClear, in each case in sufficient time before the time the transaction is to be settled);

- any other services to be provided by FinClear to you under the Nominee and Settlement Services Agreement entered into with you.

The Broker will be responsible for the following:

FinClear may act as a CHESSE Sponsoring Participant of the clients of its Brokers. Clients that are to be CHESSE sponsored by FinClear must enter into a Sponsorship Agreement with FinClear.

Your Broker may also act as a CHESSE Sponsoring Participant and engage FinClear to administer your Participant Sponsored Holdings on its behalf. In these instances, your Broker remains responsible to you for any actions or matters done or omitted to be done in respect to your Participant Sponsored Holdings.

g) Other services

FinClear acts as agent for the clients of Brokers in providing settlement services for the client in respect of transactions executed by the client or on behalf of the client by another person.

FinClear does not provide financial product advice and is not authorised under its AFSL to provide financial product advice.

5. Capacity in which FinClear acts

The capacity in which FinClear acts depends on the service to be provided as follows:

a) Clearing services for transactions in securities and interests in managed investment schemes executed on a Relevant Exchange

FinClear acts as principal in relation to the clearing and settlement of transactions in securities and interests in managed investment schemes executed on a Relevant Exchange on your behalf. However, there may be certain activities which FinClear will perform as agent for another person (such as the despatch by FinClear of confirmations to clients as agent for the Broker that executed the transaction).

In clearing the transaction, FinClear acts as agent for the client for whom the transaction was executed. However, FinClear will owe the settlement obligations in respect of that transaction to ASX Clear as principal.

b) Execution and clearing services for transactions in securities on international markets

When FinClear enters into a contract with you to arrange for the execution, clearing and settlement of international securities transactions on a foreign market by an International Securities Trader for you, it does so as principal on its own behalf, and not as someone's agent.

When FinClear arranges for the provision of international securities trading services to you in accordance with this contract, FinClear acts as agent for you.

In order to provide these services to you, FinClear (as principal), has entered into agreements with an International Securities Trader, and will owe obligations in relation to any transactions directly to the International Securities Trader. (It is then your contract with FinClear which enables FinClear to ultimately call upon you to satisfy these obligations).

c) Settlement and nominee services

FinClear acts as your agent in relation to the settlement of transactions in securities and interests in managed investment schemes which the Broker has arranged for another Trading Participant to execute on a Relevant Exchange on your behalf.

FinClear acts as agent for FinClear Nominees when arranging for it to provide nominee services to clients. FinClear Nominees acts as nominee or trustee for the client in providing the service.
